02359 Stainless steel lunch box „RILO“

Lunchbox 'Rilo' with sturdy stainless steel base, transparent glass lid and silicone rim. Ideal for cold and hot food, durable, tasteless and leak-proof. Available in two different sizes, stackable and space-saving.

02352 Vacuum carafe “ARVA”

Vakuumkaraffe „Arva“ mit doppelwandiger Edelstahlkonstruktion für langanhaltende Wärme- oder Kälteisolierung. Mit Deckel aus hochwertigem PP und 1 Liter Füllvolumen ideal für Meetings, Konferenzen oder den Büroalltag. Stilvoll, funktional und langlebig.

02394 Tritanglas RENEW "Tumbler"

Tumbler as the centrepiece of the Triveo brand, made from high-quality Tritan™ RENEW and inspired by the geometry of nature. Robust and elegant, with integrated calibration mark for professional applications. Dishwasher-safe, break-proof and recyclable.

02391 Stainless steel cup with drinking opening "Hydro"

Stainless steel 'Hydro' cup with vacuum insulation for reliable temperature retention. With a capacity of 350 ml, a practical handle and a leak-proof screw cap, it is ideal for on the go. The integrated drinking opening with straw ensures comfortable drinking.

02358 Stainless steel shaker „Core“

Stainless steel shaker 'Core' with a capacity of 600 ml, double-walled insulation for long-lasting cooling. Made of robust, taste-neutral stainless steel with a PP and silicone lid, integrated strainer and leak-proof spout with flip-top lid. Available in silver and black.

02332 Storage jar "Snacky"

'Snacky' storage container made of sturdy polypropylene with a compact shape and versatile uses. Made in Germany and designed to fit perfectly inside larger containers, ideal for keeping snacks and small items organised.

02353 Glass jar „LOKA“

Loka glass container made of heat-resistant borosilicate glass with a 4-fold clip closure and leak-proof lid made of stainless steel, PP and silicone. Ideal for meal prep, storage or leftovers and available in three different sizes. Stackable and taste and odour neutral.

02317 Tritan box "Triva"

Tritan box with one large compartment and three small dividers, ideal for snacks, dips or side dishes. Made in Germany, high-quality workmanship and available in modern colours. Durable, practical and dishwasher safe.

02168 Bottle cooler "ONO"

The elegant bottle cooler, perfect for stylishly chilling wine, sparkling wine or champagne. It reliably keeps bottles at the right temperature and impresses with its simple, modern design. Ideal for cosy evenings, guests or special occasions.

02356 Carafe with cork lid „VELDA“

Velda carafe made of double-walled stainless steel for long-lasting cooling, complemented by a natural cork lid. With a capacity of 750 ml, durable, tasteless and easy to clean. Now also available in black.

02168 Bottle cooler "Chill"

The 'Chill' bottle cooler is made from recycled stainless steel for professional use in catering and events. It ensures constant cooling of bottles up to 10 cm in diameter and impresses with its timeless design. An integrated anti-slip pad ensures a secure footing and optimum grip.

02369 Felt organiser "Nubo"

The 'Nubo' felt organiser is made from sustainable RPET felt with bamboo and polyester elements, making it lightweight yet sturdy. Ideal as a pencil case or storage pouch, the bamboo lid with integrated ruler scale also doubles as a practical mobile phone holder.

02368 Storage box "Kombo"

The 'Kombo' storage box is made of sturdy felt and sustainable bamboo, durable and versatile. Ideal as a pen holder or for small utensils, complemented by a bamboo insert with a practical mobile phone holder.

02367 Felt storage box „REVA“

Die Aufbewahrungsbox „Reva“ aus Filz mit Bambuselementen überzeugt durch ihre stabile, moderne Verarbeitung. Sie eignet sich ideal zur ordentlichen Aufbewahrung von Utensilien im Büro oder Zuhause. Die Kombination aus Filz und Bambus sorgt für einen nachhaltigen und stilvollen Look.

02364 Bamboo plate "ZUMA"

The 'Zuma' bamboo plate made of natural bamboo impresses with its light weight and high robustness. Antibacterial and heat-resistant, but not suitable for extreme heat or the dishwasher. Ideal for sustainable food serving, available in two sizes: small and large.

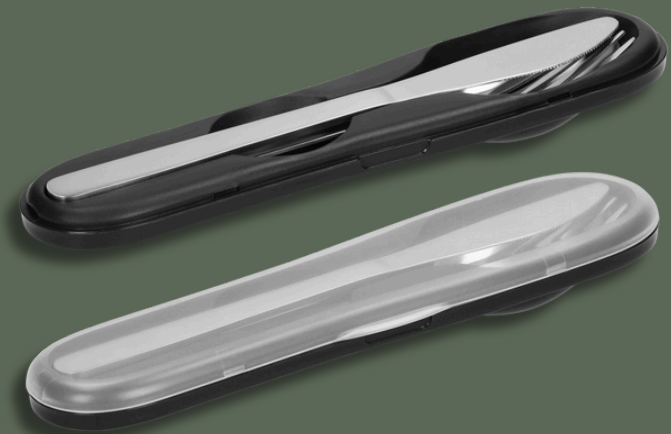

02361 Cutlery set in PP case "YOKA"

Practical cutlery set in a sturdy PP case for on the go. The set is hygienically stored, space-saving and ideal for the office, lunch box or travelling. Durable, easy to clean and perfect for everyday use.

02375 hip flask „Noir“

The hip flask impresses with its slim, handy design and is the ideal companion for on the go. Made from robust material, it fits comfortably in your hand and fits easily into any bag. Practical, stylish and perfect for trips or special occasions.

02322 Sports glasses "Fast glasses"

The 'Schnelle Brille' sunglasses are the ideal sports accessory made from sustainable RPET. Mirrored lenses provide a modern look and reliable sun protection. Includes RPET microfibre pouch – now also available in pink.

02392 Camping light "DuoLight"

DuoLight camping light made from robust materials for versatile outdoor use. With several COB light modes including red light and integrated battery for flexible use. Compact, functional and ideal for camping and travelling.

02399 Multitool „Multix“

Versatile multi-tool with various integrated tools for repairs and adjustments on the go. Compact, foldable and always at hand. Robust, functional and ideal for leisure, outdoor activities and everyday use.

02373 Mini tool pen „Pokit“

Compact helper for on the go: Mini tool pen 'Pokit' made of high-quality ABS and carbon steel. Inside are 10 magnetic bits that slide out via a pressure mechanism and are held securely in place. Ideal for minor repairs in everyday life.

02372 Mini screwdriver set „BitKit“

Mini screwdriver set 'BitKit' made of robust ABS and high-quality carbon steel. With 24 magnetic bits and matching handle, ideal for precise work and mobile use. Durable, handy and versatile.

02393 screwdriver set “BitPro”

The BitPro screwdriver set is compact, robust and versatile. Made from CRV steel, aluminium and silicone, it offers high precision and comfortable handling. With 30 magnetic bits and an ergonomic handle, it is ideal for quick repairs and fine work.
